Encompassing Lexington District

Let my teaching fall like rain and my words descend like dew, like showers on new grass, like abundant rain on tender plants. I will proclaim the name of the LORD. Oh, praise the greatness of our God! He is the Rock, his works are perfect, and all his ways are just. A faithful God who does no wrong, upright and just is He.

Dear SHIELD Family,

Reaping a Harvest

Do you ever get weary in doing good? Do you feel no matter how hard you fight that you just cannot win? Do you think about giving up?

There are times in our lives when we hear God calling us to do something special, something different, and something against the norm. He pulls us out of our comfort zone and begins to show us the changes that need to be made or the things that need to be done. God has really been moving in our family lately. He has been calling us to what we know are bigger and better things. However, it takes a lot of time and effort to get the end result. Not only is it a lot of work, but it can also be emotionally and spiritually draining. We feel like we will never make it to the end. We feel beat up and weary by the busyness of life. We see it as a monumental task. We feel crushed by the opposition of the world. Sometimes we feel disheartened because even our friends and loved ones don't understand our efforts to follow God's lead.

It's like tending a garden. I love the idea of planting a garden. I enjoy planning how and what we'll plant. I enjoy shopping for the seeds, mapping out the garden. It is similar to the excitement that I feel when the Lord gives me a new challenge. Then I begin digging the holes, planting the seeds, and anticipating that first sprout breaking forth from the ground, and enjoying the fruits of my labor. In the same way, I can't wait to see how things have changed in our lives and see God's glory revealed. However, there is a lot of work to be done between planting and harvesting. This is where I sometimes fall short. Sometimes I get weary of watering, fertilizing, weeding, toiling in the hot sun, and then waiting for the harvest. It seems that it just takes such a LONG time. I begin to wonder if all my work was in vain, especially when all of my hard work gets pecked and eaten by the crows and insects of this world. Sometimes, I even feel like just giving up and giving in.

It is easy to feel this way, but we must recognize that we are being attacked by the enemy. We are making progress and the enemy wants not only to destroy what we have already done, but he wants to prevent us from working further for the Lord. We cannot let him win! We must remember God's promises to us. Our Father has sacrificed so much for us. We can hold on no matter how long it takes because we have Him and His promises on which to lean:

"Be strong and courageous. Do not be afraid or terrified because of them, for the LORD your God goes with you; he will never leave you nor forsake you." (Deuteronomy 31:6)

"My presence will go with you, and I will give you rest." (Exodus 33:14)

"He promises us strength: I have set the Lord always before me. Because he is at my right hand, I will not be shaken." (Psalm 16:8)

"Trust in the Lord and do good; so you will live in the land, and enjoy security. Take delight in the Lord and he will give you the desires of your heart. Commit your way to the Lord; trust in him, and he will act. Be still before the Lord, and wait patiently for him." (Psalm 37:3-5, 7a)

"Praise the Lord! Happy are those who fear the Lord. They are not afraid of evil tidings; their hearts are firm, secure in the Lord. Their hearts are steady, they will not be afraid." (Psalm 112: 1a, 7-8a)

"The Lord is near to all who call on him, to all who call on him in truth. He fulfills the desires of those who fear him; he hears their cry and saves them." (Psalm 145: 18-19)

"Do you not know? Have you not heard? The Lord is the everlasting God, the Creator of the ends of the earth. He will not grow tired or weary, and his understanding no one can fathom. He gives strength to the weary and increases the power of the weak. Even youths grow tired and weary, and young men stumble and fall; but those who hope in the Lord will renew their strength. They will soar on wings like eagles; they will run and not grow weary, they will walk and not be faint." (Isaiah 40:28-31)

"Come to me, all you who are weary and burdened, and I will give you rest. Take my yoke upon you and learn from me, for I am gentle and humble in heart, and you will find rest for your souls. For my yoke is easy and my burden is light." (Matthew 11: 28-31)

"But the Lord is faithful, and he will strengthen and protect you from the evil one." (2 Thessalonians 3:3)

"For God did not give us a spirit of timidity, but a spirit of power, of love and of self-discipline." (2 Timothy 1:7)

"For we do not have a high priest who is unable to sympathize with our weaknesses, but we have one who in every respect has been tested as we are, yet without sin. Let us therefore approach the throne of grace with boldness, so that we may receive mercy and find grace to help in time of need." (Hebrews 4:16)

"Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up." (Galatians 6:9)

Father, Please be with us as we serve you by serving our family and our communities. Give us strength to trust and obey. Help us remember to rely on You to be our source of strength and protection. Help us be persistent in our fight for You and Your kingdom. Renew our energy to do Your work. Help us be joyful as we sow seeds, tend the spiritual gardens, and await the harvest You have so graciously promised.

In Jesus Name, Amen.

The students will also learn how to read a topographical map by using contour lines to find elevation change.

FALL Academic Presentation Day

Theme: History & Science
Date: Friday, October 19, 2012
Location: Lexington Baptist Church, Reception Room
Time: 9:00 am until 11:30-12:00

Let your children come and share with others the exciting things they have been learning in science or history. Any age can bring a display, but 3rd grade and up should prepare a 3-5 minute oral presentation about a famous person, event, discovery, etc. in science or history. Use your imagination to create an interesting board, perform a skit, or illustrate an experiment. This is always a wonderful time for all and gives our children the opportunity to learn from others.

All SHIELD members are invited to attend even if not presenting.

APD Coordinators:

Jennifer Cogle, coglefour@gmail.com, 261-9593
Carolyn Jackson, imacarolyn@gmail.com, 665-5159

Student Clubs

The Girls' Clubs and Boys' Clubs are a wonderful opportunity for your students to build lasting friendships with children in their own grade and gender while learning. All parents are involved with creating the meeting schedule and take turns hosting activities for the students. Parents can host by organizing field trips, play dates, sports, crafts, homemaking activities, Bible study, etc. Each club is lead by a participating parent volunteer. Responsibilities of the club leader are simply to hold one initial meeting with all of the parents to plan the schedule & to distribute the list of participating students & contact information. Please consider volunteering to lead your student's group. Join the Boys/Girls Club to add more learning & fun to your school year and friendships that last a lifetime!

If you would like to sign-up, please contact our Club Coordinator, Mandy Dufries, at sixdufries@gmail.com.

Special Interest Clubs

Does your student enjoy collecting, rollerblading, scrapbooking, Frisbee, woodworking, sewing, cooking, outdoor adventures, gardening, reading, drawing, painting, animals, photography, Bible study, poetry, model building, genealogy, fishing, candle making, board games, computers, sports, cake decorating, Legos, rubberstamping, ceramics? Wouldn't it be great if your student were involved in a club that supported and developed their interests? All you need is an interest and some basic ideas to start a fulfilling club for your student. The ideas are only limited to your imagination.

If you have an idea for a club, please contact the SHIELD Club Coordinator, Mandy Dufries at sixdufries@gmail.com or 996-1379 to help get the club started.

Lego Club

Grades 1-5, limited to 30 students

There is now a waiting list for this club. We ask that if you have signed up and have decided to drop this club from your activities, please notify us by email to allow others the opportunity to attend.

For those who were part of last year's LEGO Club, this year will be a bit different. For those who did not get to attend, get ready!

This year, LEGO Club will be focusing on being "LEGO Smart."

I'm planning activities for Lego Smart Club with activities developed to help students learn science, technology, engineering, and math – and at the same time, gain the communication skills to last a lifetime. To be LEGO Smart is to excel at these things. A LEGO Smart student can build with LEGO bricks. They solve problems creatively and excel at working with others and thinking critically.

We plan on using some tips that we gleaned from last year and from various websites for organization and implementation of the lesson plans. Therefore, the hope is for it to be fun as well as instructive. We will gear it toward an elementary age that will hopefully understand and enjoy learning this way. While I don't want to exclude anyone, I want to keep it interesting for some of the "older" kids.

Some of the activities are modeled after the Storybuilders program that the Lexington Main Library did this summer. We were unable to attend, but really liked the idea of having a story and then a related build or project.

The group will be led by Amanda Smith, Leslie Ballard, and Karen Agerton.

We will meet at Lexington Baptist Church on the 2nd Tuesday of each month from 1-3 pm.

Thanks,
Amanda Smith, smithfamilyfrogs@yahoo.com, 808-0725

Middle School Book Club

If you are interested in joining a Middle School Book Club (grades 6-8) for the 2012-2013 school year, please e-mail Terri or Hannah Brokaw at timterri@juno.com.

We will meet monthly at the Lexington Main Library. Our first Book Club Gathering will be **Friday, September 7, from 2:00 – 3:30 p.m.**

Other Special Interest Clubs this year:

Drama Club (Coordinator: Leah Tilghman) and
American Girl Club (Coordinator April Wallace)

I am so excited to share this opportunity with fellow homeschoolers! We will need at least 15 people to go (including adults) and as many as 100 can attend. I realize the price point is high and to make it more "affordable" for large families, a payment plan will be offered. It will be broken down into two payments of \$27.50 per person. First payment will be due when registering. NO EXCEPTIONS. Second will be due Friday March 1, 2013. The payments are NON-Refundable. I have paid the original deposit to hold the date and will not be refunded in the event of a cancellation. If you see that you won't be able to attend you can get someone else to fill in for you.

SHIELD has joined up with Box Tops for Education! Start collecting now. Ask family, friends, church members, & neighbors to help collect them for you. **Your** home school will earn \$0.10 for each box top collected. Yes, you read that right.... **your** home school. The money can be used for your curriculum, field trips, school supplies, etc.

Clip the box tops (trim as close as possible to help save on shipping), make sure the expiration date has not expired, and put them in groups of 50 – make sure your name is on them. You may either use a rubber band or a plastic baggie.

The first deadline is October 18th.

For participating products, check out this website:

If any questions, contact April Roebuck at roebucks_5@windstream.net.
